IMPORTANT ATM does not work on wifi. Both power and **active** direct internet connection with a merchant provided CAT5 cable must be available within 6 feet of desired ATM location before ATM installation is scheduled. If needed, a wireless ATM cellular box can be used instead, at the cost of $25.95/month, however this box will need to be shipped when the ATM is ordered. Failure to provide internet connection at the time of ATM installation will result in the appointment being rescheduled, a delay in installation and services and a return trip fee of $150.00.

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
