Will the ATM be located on ground level, upstairs or downstairs?: _____

Has internet been run to the ATM location yet: _____

IMPORTANT ATM does not work on wifi. Both power and direct internet connection with a CAT5 cable must be available within 6 feet of desired ATM location before ATM installation is scheduled. If needed, a wireless ATM cellular box can be used instead, at the cost of \$25.95/month, however this box will need to be shipped ahead of time. Failure to provide Internet connection at the time of ATM installation will result in the appointment being rescheduled and a delay in installation and services.

Do you require a wireless box? : _____
